

Accessible healthcare for all

1 IN 3 PEOPLE STRUGGLE TO UNDERSTAND HEALTHCARE INFORMATION

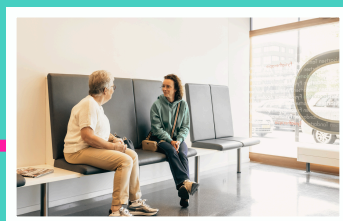

These patients are at increased risk of developing chronic conditions, use twice as much medication, and face a higher risk of medical errors.

MediMaatjes (MediBuddies) support patients before, during, and after their appointments. They ensure that the healthcare professional's message is truly understood. This significantly increases the likelihood of a successful treatment pathway.

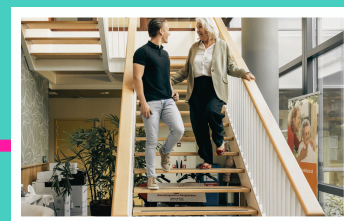

MediBuddy

Me-di-bud-dy (Meh-dee Buh-deez) *n.* 1 someone who accompanies patients to doctor's appointments. *medi* - medical relating to medicine *buddy* (informal) friend, companion

Quality

All MediMaatjes hold a Certificate of Conduct and receive training through our Academy, ensuring they are well prepared to support patients.

Benefits

- Promotes patient self-reliance
- Improves access to care for vulnerable and care-avoiding patients
- Reduces no-shows

How does it work?
